OTHER EVS 1500 FEATURES

From NASCAR to your ambulance. Optimize EMT safety by replacing your conventional lap belts with an EVS 5-Point Safety Belt, similar to the ones installed in NASCAR. Combine the 5-point Safety Belt with the "bucket seat" design of the EVS 1500 Cushion Package for all-around protection and comfort - economically priced.

EVS Seamless 1500 Squad and CPR Cushions 5-Point Protection Economically Priced

EVS provides a unique, detachable external belt system for easy cleaning, disinfecting and replacement.

The EVS 1500 Cushion package includes many features found on our top-of-the-line advanced seat designs:

- Seamless construction for extended wear and easy disinfection
- Contoured cushions with headrest provide lower back support
- High-quality automotive foam for seating comfort
- Meets or exceeds FMVSS 210 testing for seat belt anchorages

EVS 5-point safety belt features:

- Single push button latch plate for easy on and off
- Detachable belts for easy cleaning, disinfection or replacement
