EVS 1769 ATTENDANT SEAT WITH MOBILITY 1 TRACKING

FEATURES & BENEFITS

- Seat is on a sliding track allowing an attendant to reach a patient or supplies while seated
- Swivel base may be mounted in three possible locations to provide several possible floor plan configurations
- A seat when tilted forward can carry a second patient (300 pound capacity) with the help of a backboard
- Seat folds up when not in use to afford more space to maneuver
- Seamless construction for easy disinfecting
- Streamline ABS seat back provides durability
- 3-point belting system for added safety
